“ *I have fond memories of Barb and my dating days while she attended Siena Heights and lived with the Hunts in Adrian ... all under the watchful eye of "Papa Bear"... especially on those overnight stays! I've included a few pictures to add to the Tribute Wall.*

“ *My deepest sympathy to Laura, Cathy, and the Hunt Family. I first met your Dad at Henry Ford Hospital, becoming his first patient in Adrian as a small child. He was always compassionate and caring. Dr. Hunt was one of the physicians who sparked my interest in healthcare. Praying for you during this time of loss.*

“ *To the family of Dr. Hunt. My husband and I met him as our neighbor behind our office. He would often be out in his back yard when he was living there and greet us with a big smile and we would spend time talking. He was a great neighbor! We're so sorry for your loss but we're sure he will always be remembered for his very caring ways!*

“ To the family of Dr. Hunt I want to express my sadness. I was a patient of Dr. Hunt from about the mid 1970's. Until I saw in the paper that he had passed, I did not know where he might be.

He was great to me and my family. He and his smile are so memorable. Can only say that memories can be so wonderful.

“ Dr. Hunt saved the life of our daughter by his careful monitoring of her kidney problem and determining it was time to prudently do surgery. We always respected his intelligence and expertise as a physician and we are eternally grateful that we still have our daughter.

Be proud of your father for all he did with such a warm heart.

*Beautiful photos! Thank you, Sibs. I love the one (in particular) with Steve crouched down, beer in hand, listening to Dad's words of wisdom. Dad passed in peace and on his own terms. That's how he would have wanted it.*
