“ *Phyllis and Al were about 11 years older than me, so when I was growing up they were the closest of my siblings. She was always really sweet to me and I always thought she was beautiful. She had a great laugh a great sense of humor and I'm glad that she's finally be able to be with the love of her life my brother Al. I went to visit her last fall and we had a really nice visit. I will miss her. May God Rest her soul, she sure earned it. I love you Phyllis. Roger Sebring*

“ *Phyllis is the sweetest person I have ever had the pleasure of meeting. She always greets you with a warm smile and a hug. And she was always baking cookies and yummy treats for us girls at work. I loved hearing all her stories about her family. She was so proud of her kids and grandkids. Phyllis will be greatly missed by many. Thoughts and prayers to the family.*
