“ Dear Melinda Marie, Manette Ann, Mark Richard and Michelle Rene': May you receive comfort from this celebration of your mother's life and know that she had many friends and loved ones. I have had many days of reflection of your mother over the past several years. She would be so proud of the people you have become. I think she always expected wonderful happenings for you, but didn't necessarily picture specifics in her head. I know that you are all much more than she could have ever dreamed of. I long ago forgave her for every time she woke me up yelling out your names in order of birth during summer vacation through my bedroom windows. If I heard Melinda Marie once, I heard it a thousand times. Mannnnnettte Ann, stae out of tha poison ivy. Mark Richard Perry get out here, and then there was Michelle Rene who was the perfect baby for so long.. Don't ya hate her for that!!! We know the rest of that story now though. God Bless you all and may Riva now be in the peace she so much deserved.

With much love and fondness, Nancy##imported-begin##Nancy Lewis-Dermyer##imported-end##
