“ Mr. Gaver was a wonderful man and hero. I was one of Mr. Gaver student at Adrian High School "Class of 87". He made a lasting impression on me and I will never forget him. In the year 2000 I bought a house at 681 Lenawee Street. My backyard adjoined his. We use to talk and spend time together and a new friendship evolved. I remember when we had an ice storm and I cut up the trees that had fallen in his yard. I refused to be paid so he took my wife and me to Lyons Ohio for dinner at the Lyons Den. I would spend time talking with him. I always looked forward to our talks. I moved away 8 years ago to South Carolina and when I made it back from time to time I would stop by and knock on his door for a visit. He always had great advice and a story to share. It has been a couple of years since I have seen him. I have just recently returned from Iraq and will be back in Adrian at the end of September. I am sad that I will not get to see him one last time and share my stories of Iraq with him or get to say good bye. I will truly miss him! My sincer condolences to the family.

“ Dick Gaver was a class guy, coach, and teacher that instilled a quiet confidence, a mild manner, a generous spirit, a great laugh, and a super sense of humor. He became the head baseball coach of AHS in '65, my senior year, and I am pleased that we won handily the league championship that year. I have nothing but fond memories of him. I wish his family the best.##imported-begin##Pete Casteel##imported-end##
