“ *I would like to send my sympathy to Richard's family, he spoke of all of you. I want to Thank You for allowing Richard to be a part of my life, I worked with Richard for 20 years and made a huge impact on my family. My daughter is 15 years old and grew up around Richard for the 1st 10 years of her life, ever after that when she would come to visit Richard was the 1st she would go see. Richard was always determined to do a good job, he would ask "Now I am a good boy for doing that" He will be greatly missed by me and my family. Again Thank You.*

“ Ricky, I'm going to miss having you come over to our house and hangin' out by the pool. I remember I would walk by and you'd just smile and wave. I would always wonder what I did but oh well. Keep an eye on my mom she thought of you as her own kid. We all miss and love you dearly. Oh yeah, could you say hey to my sister Ja'Lisa for me? Thanks Ricky.
