“ *Bish would always come down to the Fire Station with candy when I was a young fire fighter. Always had a good joke to tell. RIP Bish, it was an honor knowing you and to share a brother hood together*

I remember Mr. Bishop coming to visit many people at provincial house. He was a very kind hearted person. And Mr. Bishop would be on his moped and if he seen somebody walking he would just stop and give a piece of candy to you. Will miss seeing around.
