“ *Bob was a good friend and showed me an act of kindness that I will never forget. He had many talents that many never knew -simply because they never took the time to get to know Bob. I will miss him.*

Bob was a wonderful mentor to me when I was beginning my career. I am forever indebted to him and the time he gave me. To this day, I still rely on much of the business acumen I learned from Bob long ago. RIP to a great man, blessed to have known him.

Bob was a friend in business, and someone I enjoyed having a cup of coffee with in the morning at MoJo's. We liked to talk about our golf games and solve world problems. I will miss him.

Bob and I worked together briefly and during that time I found him to be a very respectful man. I am glad to have met and worked with him.
