

Robert E. Jameson

May 11, 1969 - July 27, 2016

ADRIAN – Robert E. Jameson, age 47 of Adrian, passed away Wednesday, July 27, 2016.

He was born May 11, 1969, in Adrian, Michigan to Charles and Anne (Rebottaro) Jameson. After graduating from Adrian High School with the Class of 1987, he earned a Bachelor of Arts Degree from Michigan State University where he was a member of Delta Sigma Phi fraternity. He went on to earn his Juris Doctorate from University of Toledo College of Law.

On December 16, 1994, he married Dana Bugbee, and she survives.

For the past 19 years, Bob has been in the private practice of law. He has also served as a Public Defender for Lenawee County and recently served as President of the Lenawee Bar Association.

He was an enthusiastic Michigan State fan, had an avid interest in Civil War and Wild West history, and was a hunter and drummer who enjoyed music. Because of his natural talent for music, he initiated the idea for the drum corps at Maurice Spear Campus.

In addition to his mother, Anne Jameson, and wife, Dana, he is survived by his children: Taylor, Jenika and Chloe Jameson; siblings: Charles Wm. Jameson II, Leigh (Henry) Jameson-Heise, and Jessica (Bill) Chesser all of Adrian; as well as many nieces and nephews.

He was preceded in death by his father, The Honorable Charles Wm. Jameson, in 2014.

Funeral services will take place at 11:00 a.m., Monday, August 1, 2016 at

Wagley Funeral Home, Adrian, with Pastor Scott Winstead officiating. Private burial will follow. Visitation will be at the funeral home Sunday from 1:00 to 5:00 p.m.

In lieu of flowers, contributions in memory of Bob may be made to Maurice Spear Campus Drum Corps. Online condolences and memories may be shared at www.WagleyFuneralHomes.com.

“ *Bob worked at my deli while he was an MSU student. Bob was inline other students in that he had a certain maturity. During our many hours working in the store together we had many heart to hearts talks that revealed Bob in his goals and values. He lived that he could be proud of his Italian heritage and his families contributions to The Law.*

We had a few fleeting emails and calls in recent years: all were very welcomed and much fun. His life brought me much insight.

“ You're lucky if once in a while someone makes a positive impact on your life to such a degree that it forces you to seek nothing but the betterment of yourself. I was fortunate enough to have crossed paths with such a person 11 years ago or so.

Unfortunately, I just discovered he had passed without my telling him.

R.I.P. Bob Jameson and thank you.

To his family:

Remain certain that he did have a life altering impact on at least one individual. In my experience this type of change takes place by putting faith in a hopeful individual when very few others would. Bob was that person to me and I made it count.

Going forth, I hope all who have encountered him, by chance or by intent, will add this to their recollection of him as it will always be his legacy with me.

“ today there is nothing more important than giving this great man and his family the utmost respect ! May you rest in peace ! Bobby stood for respect and values like no other . Telling us to take the high road . And we followed him through 2 years of good bad and indifferent . He prevailed and got us our life back! As his family grieves for him today let it be known we shall never ever forget his faith and love of his kids he spoke so highly of. Even relating to common patenting issues. My true going forward may his wife @ Dana Jameson know he is never forgotten . And his girls know your dad was an amazing guy who loved you infinity and beyond . This man leaves behind a amazing legacy And am amazing family ! Dana u as well ,, Prayers God has a vision .. He's up above continuing to fight for the underdogs .. “ *The Bob that I knew growing up was kind, funny, annoying and someone I was always happy to spend time with. I have many memories of hanging out with Bobby, Brian, Angie and Gordon. We had a lot of fun together! My dad said to me upon hearing about Bob's death that every time he saw Bob around town, he always jumped right up, shook my dads hand and said, "How are you Mr Isley?" The last time I saw Bob was a while ago because I live in Minnesota now. But when I saw him he was very proud to tell me about his new wife and his new career. He was full of happiness and zest for life, as always. May God bless Bob's family and comfort them during this incredibly difficult time. And Godspeed my friend... See you soon Bobby :)*

“ To Mrs. Jameson, Chuck, Leigh, Jessica, Dana and kids,

I want to send my heartfelt condolences to you all. I just heard the devastating news from my cousin Scott Hawley. I am in total shock and disbelief. I know it has been a while since we have been in touch with one another, but know, all of you have never strayed far from my heart and thoughts.

I considered Bobby my best friend growing up and living next door to one another made this friendship very easy. Each summer seemed like we were joined at the hip, playing all day and then spending the night at each other's houses to do it all over again the next day. Riding our bikes, motorcycles, playing in the barn, raking the endless amount of leaves in your front yard, lightning bug hunting and maybe a little mischief once in awhile. Those summers seemed to last forever.

I was always treated like family whenever I entered the Jameson house. Thank you all for the fond memories I have growing up with you all. You all hold a very special place in my heart and I will have good thoughts for each and everyone of you.

All my love,

Lance Hawley

“ 15 years ago i sat in Bobs office seeking his professional advice, for 30 minutes he educated me on my rights and how to exercise those rights in the safest way possible during a traffic stop. He taught me how to respect the police yet, at the same time, let the police know that i wasnt going to allow them to abuse their authority. I have passed his advice and legal knowledge to hundreds of young adults over the past decade. That 30 minute conversation gave me a great appreciation for the rights that we sometimes take for granted.

“ There are no adequate words to describe how we feel about Bob's passing. Every time I spoke to Bob at court he made me feel better about everything. He was kind, funny, smart and passionate. Gregg and I will miss him terribly. We are praying for Dana, his children, his mother, his brother and sisters during the sad and difficult time. We are so sorry. Hon. Gregg and Adrienne Iddings

“ I am very sorry for your loss. I could always count on him as my back up for being on the side of the Spartans. It was not easy when our children went to a school whose colors were blue and gold, and there was tons of those go blue fans there. Forever Go Green Go White.

“ Dana and children, words cannot express the heartbreak we feel for all of you. Dana you and Bob have been friends, and Bob was my first history teacher at JCC, and spoke in my classroom about the law. He was funny and so at home answering questions about the law. My students loved listening to him, and learning about his job.

I still remember sitting in class with you, when it was silent after our teacher asked a question, and Bob's voice comes out of your purse. It was typical Bob. A jokester, but wow he loved all of you so much.

Our prayers and thoughts are with you all. Huge hug, and lots of love to each of you.

“ Cindy and I and the Preston Family are Heartbroken over the loss of Bob.

Dana, you and Bob and Family have always been considered Dear Close Friends. From the first time we were neighbors and the kids we're just knee high.

To all the previous Night before Christmas Day, long discussions about world events. With Coffee, cookies, pies and many other delicious treats abound.

To share Bob's and your Friendship will be a Treasured Memory. The many topics shared, from Family, local events and the Current Political topics discussed.

Bob was a Good, Honest and Hardworking Man. One that cared Deeply for the Love of his life and all his Family. He also loved the Adrian Community he served for most of his life. Like his father Judge Charles Jameson before him.

I know that I will miss those sometimes Deep discussions. His Smiling face with his joking demeanor.

I know, I have lost a True Friend and the Community has lost a Caring Gentle Soul of a Man.

May GOD the ALMIGHTY FATHER forgive Bob of all his Sins and Tresspasses and Accept his Soul unto his Restfull Bosom and KINGDOM Forevermore. Rest in Peace my Dear Friend. AMEN.

It was our Honor to Know and share a little piece of Bob and Your Families Life Dana. We Love you all and Pray for Jesus to give you the Strength you will need to get you through these Hard Times.
