“ *I remember staying with Bob, Nancy and the kids. I had so much fun. We swam in their pool and made ceramics in their basement. I still have the ceramic kitten. I really loved that visit. They made me feel like we had always known each other. Just like family. And years later Bob remembered me and said some kind comments on Facebook. It really meant a lot to me. How lucky his family was to have him. Thank you for the kindness.*

“ *My sincere condolences to the family. Bob was a very friendly and special person. I don't believe he ever met a stranger. Bob and Nancy welcomed me into the family, and opened their home to me. Bob talked me into doing ceramics. I still have the "beer" stein I made in the kiln they had in their basement. I have nothing but fond memories of the entire family. Our thoughts and prayers are with you in this time of bereavement..*
