“ My name is Pamela Marry and I became friends with Rrodney when my Father was at Lenawee Medical. Rodney would come every night to see how he was doing. After my dad passed I went to see Rodney and took him some things of my dad's when he was at Grand Court. I regret that I lost contact with him after that. If I had known where he was I most definitely would have visited him. I am sad I didn't know. He was a wonderful friend and my heart is sad for his passing. My prayers and thoughts are with you and may Rodney R I P God bless him he was a wonderful and caring friend.
