“ *I've known Roger since the late 70's, when he started working at the Salvation Army. He would do about everything there, including taking the kids and others up to Echo Grove Salvation Army campgrounds. He was quiet and very helpful through the years. He helped bring food to my aunt and helped her out now and then. My mother loved him and prayed for him often. I was so glad to see him at the Nazarene Church. He was a good guy, and he will be missed by many people. My prayers go out to his family, especially Kim and his dear mother, Mrs Davis. Pamela Depew*

“ *Early summer Roger and I took some kids to camp. (Cannot remember how many times I have gone to the SA Camp with him.) On the way back he took this side road that was so beautiful. Then we stopped at a Salvation Army Store, while I looked at items of interest, Roger looked through the books. Then we stopped at a Coney Island in Pontiac before returning to work. I will never forget that day, or the day 9 years ago when we roasted marshmallows over a votive candle at work. In all of my life I have never met someone who quietly LIVED Jesus among us. Gotta love him!*

“ *I met Roger 7 years ago, when I started to volunteer at the Salvation Army in Adrian. There will be no one that will replace him. A great sense of humor and he would always assist you whatever your problem. Whatever needed to be fixed, he fixed it, one way or another! Don't know exactly what heaven will be like, but if they need a top maintenance man, they've got one!! Love you Roger! Ina Woolum*

“ *So sad to see this. Roger was a very sweet guy. We went to grade school together and he was my boyfriend for awhile in grade school, probably sixth grade. I worked with him in 1984 at the Salvation Army and he was a dedicated employee. I remember the woman at the store called him "Mr. Rogers" so I called him that ever since. I hadn't seen him in a few years, but will always remember what a good guy he was. Prayers to his family.*

“ *Kim and Family: I never got to know Roger well, but always admired his work ethic. He always seemed to busy and when he worked at TSA, the building always looked nice. He was always busy. Words cannot express my deepest sympathy for you and your family. But with Christ, there is always hope and the expectation of meeting again "When We All Get To Heaven"! In the coming days, I pray that you will find God's grace to be sufficient.*

“ *I think my greatest memory will always be when I worked in the office at The Salvation Army and I received a call from a guy that was going to kill his wife and I talked 15 min to try to stop him before he started laughing and I realized it was Roger picking on me,,, JUST one of his tricks on me ,,,*
