*I just saw this! I am so sorry to hear this sad news. My most sincere condolences to Chris and all of his family he cared so much for. I have many memories from long ago. I knew and worked with Ron when he was still in high school. He had a great sense of humor and made work fun. He came to our house many times to go hunting and fishing and just hang out. I will never forget a quiet New Year's Eve party at my house, until he showed up. He had everyone relaxing, laughing, talking and had a great time. He brought the best out in others.*

*Chris; May God comfort you, give you courage and peace. Love and hugs. ❤️*
