“ Dick & Family,
Rose was a great neighbor and friend. Rose was my mother's best friend. I have a lot of great memories of Rose. She will be greatly missed. Mike Meinke
Dick & Family,
When I moved into the neighborhood in 1978 your mom was the 1st. neighbor to knock on my door. She had a big zucchini in each hand. I saw Rose cut down trees! She amazed me! She was indeed a great neighbor and friend. Marcia Cryder

“ I will always cherish memories of Aunt Rosa Mae's visits with my granddaddy (John Jay) and our trips with him to see her. I always appreciated her straightforwardness, sense of humor, and willingness to adventure.

I know my Nanny and Aunt Brenda are deeply grieving her loss.

I will never forget the visit where my cousins Tad & Andy proudly showed off their swimming hole. Aunt Rosa Mae stood proudly watching - in a fire ant bed. After shaking the ants off and recovering from her brief distress, she had this "what's the big deal?" attitude.

She's with your dad, her parents, my granddaddy, their siblings now, but she will live on in our memories.

I am very sorry for your loss. You are in my thoughts and prayers.
