“ Dear family of Rosie, I'm so sorry for your loss. Rose will be greatly missed. She touched every one she met. She used to come down to our classroom sometimes for morning opening. She liked to push my students in their wheelchairs, and she always helped when we practiced for tornado drills. We called her the the star student, because, believe it or not she would always be quiet during that time. I'll always remember her in her long gown, fur stole and tiara at prom. She truly was the Queen.###imported-begin##Kim Young###imported-end##

She was always smiling and she touched the lives of not only her classmates and regular teachers, but of guest educators, like myself. For that, I am thankful. She was a wonderful person and will be missed by many.

“ *Tiny Angels*

*Tiny Angels rest your wings
sit with me for awhile.*

*How I long to hold your hand,
And see your tender smile.*

*Tiny Angel, look at me,
I want this image clear....*

*That I will forget your precious face
Is my biggest fear.*

*Tiny Angel can you tell me,
Why you have gone away?
You weren't here for very long....*

*Why is it, you couldn't stay?
Tiny Angel shook his head,
"These things I do not know....*

*But I do know that you love me,
And that I love you so".*

*Sleep with the Angels Rosie, we will all miss you till we meet
again.##imported-begin##Anna, Michael and Cyndi
