“ My Mother, Alice, thought the world of Rose and howl she fixed her hair.Mom moved to Florida in 1989 and is now 94 years old. But she has never forgotten her friendship with Rose and how beautiful she made her hair. We could never find anyone to compare---Rose was always the best! I remember going for a haircut with my Mom and her & Rose were laughing at me and I didn't know why-I was humming real loud while under the hairdryer! She was always a Happy lady. My Mom is frail now & not doing well-so I can only imagine how you feel-my day will be coming soon -but we have so many happy memories. Our thoughts are with you. Love .
