“ Linda & family -

*Our deepest sympathy to you all. Roy was quite the character and could be a real pain to anyone he didn't care for. But, if he cared about you ... he couldn't have been a better friend. So glad we had a chance to see him before he passed. Rest assured ... where ever he is ... he's the life of the party.*

*May the angels lead him in ...  
Godspeed, Roy.*

“ *I will miss Roy very much. He was so kind and sweet with me after I lost Bill. He tried so hard to hide that side of himself, but cried right along with me when I suffered. He was a huge teddy bear with a giant heart. XO Love you Linda, so very sorry.*

“ Roy began coming into Joan & Co to get his nails trimmed. We didn't know how to take him at first, because of his dry sense of humor, but we quickly grew fond of him. We will all miss him, and that humor. RIP Roy❤️
