“ *Family,
Ruby was such an inspirational person, willing to accept responsibilities and go where others might not have gone. She was a stalwart of the Rome Grange, Cadmus Presbyterian Church and her family. We all admired her - trips to other countries before the US was global and her ability to be an ambassador. She will be missed and fondly remembered.*

“ *I am so glad I had Ruby as a part of my family.*

Even though, I have not been a family member for years, she was always a wonderful person to be around. I am so glad I had the opportunity to visit with her in 2009 at the Yeutter Reunion.

My condolences with her family

“ *Ruby was one of the mentors in my life. I always looked up to her
since I was a child. She cared about family and family history,
always taking time to share what she could with those who would
take a minute to listen. She had so many interesting stories and I
thank God that she was that special person in my life. She is resting
in the arms of her Lord. Praise God for this wonderful gift of Ruby
that he sent to enrich our lives.##imported-begin##Margretha and
