“ Rusty was my very best friend. I've never loved anyone more. He was such a Holy Ghost filled christian and was proud of it. He shared Jesus with just about every person he met. Anyone who listens to WLEN classifieds on the radio on a regular basis need to know that the man that ended his calls with "God Bless You" was Rusty. I have had the honor to be his girlfriend for the past three years and am so grateful to God for Him putting Rusty in my life. I told Rusty when we first met that God put us together for a reason and I now know that having the opportunity to care for him through his battle with cancer was what God knew he would need. Rusty had the kindest and most loving heart of anyone I ever knew. He took in numerous homeless people and cared for them putting their needs above his own. That's just the kind of man he was. I could never even begin to tell of all the generosity I personally witnessed him share with others. Rusty never had any children, but he did leave behind his beloved African Grey Parrot named Bonnie which will return to my home and continue to be loved. Rusty was a very gentle and loving man and I will forever hold him in my heart.

“ To the whole Quigley Family; Please accept my deepest and dearest condolences for the loss of Russ! No parent should ever have to bury their child!! I haven't seen Russ since, him, Jackie and myself, went to school together. Russ was very well liked. Losing a sibling is hard too! I lost my youngest sister almost 14 months ago and I can't say it's any easier now than then (even if it was expected!!). Please know you will all be in my thoughts and prayers! God Bless you all!!

“Rusty was a major factor in my brother coming to know the Lord. If my brother didn't know the Lord as Savior, I'm not sure I ever would have. So I'm eternally thankful for the friendship Rusty shared with my brother.
