“ *I knew Sandy in the 1960's when we both lived in Latham, NY on Old Niskayuna Road. I remember playing together at our homes near the airport. Our families were good friends. Linda, if you remember me, my prayers go out to your family.*

Yes Lynn I remember you, but it took me a bit. Sandy was the keeper of memories, she never forgot a thing. I've spent my life protecting and trying to keep her safe and now she's with my mom and dad. Thank you for your thoughts and prayers.

“ Sandy will be missed... She always had a story to tell... she was so proud of her family, her travels, her precious kitty and her arts and crafts (she made me a mouse pad with my name on it - I use it everyday). I enjoyed sitting and listening to music with her at the music in the park. She always had a smile on her face and excitement in her heart - may her wonderful spirit rest in peace. My sincere sympathy to her family - Madelyn McCrystal.

“ Sandy was a fun loving person who showed her personality through the bling on her hats!, I enjoyed listening to the music in the parks with her. She made dishcloths that I still have and are the best ever. I will miss her inquiring as to my beloved pets.

“ I have so many memories of Sandy which I am ever grateful for. My favorite memory of Sandy (if I had to pick just one), is when I had the pleasure of watching her while being video taped by CLS. The taping was for a story being done about her accomplishments and would later be shown at the fundraiser dinner during the award ceremony (during which she received an award). The taping took place at the Humane Society and she explained her volunteer responsibilities there as well as the hurdles she overcame to adopt her precious cat and beloved room-mate Maggie Moo. Because everyone who knew Sandy knew she referred to Maggie as her 'room-mate'. I will always Love you and hold you in my heart Sandy. All my Love, Lesa.

“ Sandy was a big help to us in the Training Department. She would assist with anything asked of her. Her smile and laughter will be missed. Her surprise of hand made crafts was always welcome. She made a special dish cloth for my Mom (It matched her green kitchen) that Mom loved.

With sympathy,
