“ *My daughters and I are in shock. I was friends with her Mom at VoTech and than got reacquainted after we had children. My daughter Stephanie and Sasha ended up being great friends. They worked together during high school. Sasha was a beautiful person, inside and out. Loved her laugh, smile and such a warm and caring person. Anyone who knew her was blessed. To her children please know your Mom still lives in you and will want you to enjoy life in her memory. Our world is a little less bright but heaven is brighter and rejoicing. To Amber cherish your memories. To Tom and Michelle, smile everyday in her memory and know how blessed you are to have such a wonderful gift from God even though it wasn't long enough. Hugs and love to all of you.*

“ *There are a million memories with my sister that I could share, but what I'll miss the most is laughing with her. I love that we share the same laugh, and often the same thoughts. Being her little sister was a blessing. I will cherish those memories until my last breath! God was good to give her to me for 40 years!! I will always love you Sash!*
