“ My husband, David, already signed the book, but I wanted to add my heart-felt sorrow at the loss of Shayna. Such a beautiful woman inside and out. I remember the last Thompson family reunion we attended and it was her son's birthday. She was so happy for him. My heart is heavy for Xander that he has lost his mom so young. I know Shayna is in God's hands, but she will be so missed. My sincere condolences to her family. You are in my thoughts & prayers.###imported-begin##Cynthia Brookbank###imported-end##

“ Shayna Odettey who looks like spaghetti - my childhood little riddle/nickname of Shayna. We were both skinny as twigs thus the spaghetti reference. Shayna, Christine and I grew up together. Then we hit 5th grade and Season, Shayna and I were inseperable (even through times when each one of us was the odd man out). Shayna and I kept in touch in our adult lives. For some reason we could be away from each other for a while but pick up right where we left off. I talked to Xander on the phone a while back. So precious.

This is such a huge loss. Bubba, Karissa, Xander - Shayna was an awesome person. Bubba and Karissa were like my second family. I was at their house all of the time. Nomi - I'm so sorry.

I wish I would have gotten to talk to her more, spent more time with her, taken in each moment. We cried and laughed and shared accolations for one another but all over the phone.

Shayna, you will be the most beautiful angel.

I love you, Shayna. Since I was in kindergarten I've loved you and still called you my best friend.

Rest peacefully.

“ A short entry in this guestbook will never serve as a proper expression of my thoughts and feelings. Shayna has been a permanent fixture in my life since day one, and she meant the world to me --- still does. My Mom has lost her best friend of 30+ years, and our entire family has lost that crazy woman that we all loved so very much. Shayna, we hope you've gotten the peace that you deserve. Know that we're taking care of things down here, and don't you worry one bit about Xander --- he'll be taken care of, and by the right people. We love you so very much, and there is no doubt that you were taken from us far too soon, but we will never forget you. Your memory lives on.##imported-begin##Devin Stevens##imported-end##
