“ *How can you explain perfection? You cant, Shelly opened her house to me and treated me as one of her own, she feed me,& spoiled me like her own. She opened her house to when she knew she didn't have to.. ill never forget the night i was living with her son jake & i had a break down needed i needed a mom to hold me because mine just was to far way at the time.. she drove over to hold me and comfort me in the middle of the night!! .. so i wouldn't hurt myself that night and she made me come back to the house with her & we'd stay up all night talking and just being girls letting stuff go! She gave me happiness,& love.. because she was selfless ill never forget you shelly! Find my baby boy up there shelly and hold him for me the way you held me. I love you beautiful ❤️*

“ *I have years of great Memory's of Shelly as well as the kids. One of my favorites is vacation in WI. We had a blast playing in Lake Michigan and going to Six flags. I took Shelly to a concert and watched her dance on tables and drop her phone in the toilet- talking to Katie about how awesome the concert was. I will miss my friend.*
