“ *Barb and I are both so saddened to hear of Steve's passing, and we wish all of the family peace and strength at this difficult time. I was a football, basketball, and baseball teammate of Steve's; and there were only a handful of us that played all those three sports together. Everyone knows he was a gifted athlete. He was undoubtedly the fastest person in the high school while he was there; I know the track team wanted him to run the 100 and 220 events only when there was no baseball conflict, but Coach Tuttle would have none of that. May the many bright memories of Steve help ease your sorrow as time passes.*

“ You were a gentle and kind father in law. Whenever you called Eric before you hung up you would always tell him "tell Jayme we say hi and we love her". You always made me feel like part of the family from the very beginning. We will miss you very much and carry you with us. We are glad Cruz Michael has your name. Xo

“ Steve was the best man in our wedding. I remember Bob recalling that Steve dutifully picked him up to "take him to the church on time". Now isn't that funny-we entrusted that to Steve! In any case, he did arrive on time to get Bob (we had some conversation "reminders"). Steve jumped out of the car, with great athleticism I am told, got Bob and, as they went to get in the still running car with air blasting -very hot day - Steve realized the front doors were locked! After the "Oh, s__t!" looks at each other, Steve checked the back door, and it was not locked! Steve succeeded in getting Bob to the church in time!
