

Sue Anne Keagle

August 31, 1946 - September 19, 2018

ADRIAN- Sue Anne Keagle was born in Battle Creek, MI on August 31, 1946. She passed away peacefully on September 19, 2018, at the Hospice of Lenawee Home in Adrian.

She is survived by her partner of 27 years, Angie Schoonover; a sister, Marti (Richie Holman) Snyder of Zephyrhills, FL; brother, Mike (Kathy) Keagle of Elkhart, IN; three nephews, Brendon (Krystal) Keagle and Max (Haley) Keagle, both of Elkhart, IN and Riley (Taylor Bontrager) Keagle of Montgomery, AL; a great niece, Daisy Keagle and great nephew, Henrik Keagle, both of Elkhart, IN. Susie was preceded in death by her parents, Robert C. and Ruth A. (Sangrey) Keagle, both of Kalamazoo.

Susie graduated from Portage High School in 1964. She was a proud graduate and lifelong fan of the Michigan State Spartans where she received her bachelor's degree in 1969, in Communications. In 1984, she completed her master's degree in Communications from Western Michigan University. Charity work was a passion that followed Susie from the beginning of her working career. She retired from the Adrian Training School after a long and blessed career from 1966 to 2003. Teaching communications at Jackson Community College from 1994 to 2013, allowed her to continue her gift of language and inspiration. She was the owner of Kaleidoscope Communications Consultants in Adrian. While having a fulfilling working career, Susie volunteered at several service organizations: Hope Center, Victim Services Unit of Lenawee and the Boys & Girls Club just to name a few.

Susie had many friends and loved people. She knew almost everyone in town by sight and she never met a stranger. Her mother always told the story of how proud she was of Susie for pampering the girls at the Training School by buying dresses for them as they left the facility. She had a heart of gold. Her brother's favorite memory of sister Sue was when she starred as the Cowardly Lion in the 1964 Portage High School production of the Wizard of Oz. She loved her two cats, Lola and Callie. Susie has touched the hearts and lives of those who were lucky enough to pass her way. She was adored and will be missed by many.

Cremation has taken place and a memorial service will take place on Sunday, November 4, 2018, at 1:00 PM at the HOPE Community Center in Adrian. Memorial contributions may be made to Hospice of Lenawee, HOPE Center, Share the Warmth or the charity of the donor's choice. “ Sue was always happy. She made all of us throughout our school years more upbeat. I recall Sue having been in an accident, needing a wheelchair, she cracked a few funnies about it. Susie inspired all around us to be better. A ray of light, a spark plug of a gal, has left us and gone to become an angel above.

“ Sue Keagle. A kaleidoscope of unrelenting color and bright light in an often broken world. She was such a delight to know and to be known by. Forever your cheerleader, always positive. She believed in you and was eager to support your best. She always led with her passion-driven heart, which was enormous, she cared so much for the wellbeing of others, especially Lenawee County. I spent many hours with her in her Kaleidoscope office dreaming, venting, problem solving, and laughing. I will always love her and cherish our friendship. She was top-notch, an unusually caring, loving, lovable, and bold soul. This life was truly better with her in it. I will always remember you Sue Keagle, you taught me so much, inspired me to dream big and follow my bliss.

“ This news has made me cry, but I've always known her to be too much of an angel for this world alone. I met her when I first started teaching at ATS and she seemed to be the welcoming committee. I thought I was one of her favorites until I realized that she treated everyone as special as I felt she treated me. She was so giving of herself to the students and staff, alike. In my mind she WAS the Adrian Training School which was a sanctuary, not a facility. Let it be known that she has always had her wings, but just now got her license to fly with them. I am so glad to have met her in my lifetime.

“ Sue was the most caring cheerful full of fun woman I knew she was my mentor when I started at ATS. I have so many memories of the things that her and I and Denise did. We traveled together camped with ATS kids together, way back when. We had many great talks. She will be missed. Hard to remember 30 plus years of all the things. But she was one amazing woman Barb Brock
