“ She always called me Errol Flynn and loved to give me a hard time, but I could always make her laugh... And she had a great laugh. While I, like so many, enjoyed her enchilada sauce, that is not how I'll remember her. I'll remember her fierce love for her husband and kids, her work ethic, and the tough love she gave me during my tenure at the restaurant. The world has lost a great lady.

“ Kathy,

It is with a heavy heart that I learned of your mother's passing. I was just speaking of her last week to a co-worker and how I HAVE to keep all the monies I handle facing the same way came from working with Sue. Such great memories of our younger day, working with Sue, your family and the great enchilada sauce that no one can come close to matching. Prayers of comfort and peace in knowing she is enjoying what we can only imagine. Kathy (Zimmerman) DeCatur
