

Susan Marie Fucinari-Stranges

March 1, 1956 - October 16, 2024

ADRIAN- Susan Marie Fucinari-Stranges, age 68, of Adrian, MI, left this world on Wednesday, October 16, 2024, at home surrounded by the love of her family and under the care of Arbor Hospice.

Susan was born on March 1, 1956, in East Detroit, MI, the third child of Peter and Evelyn (Milkiewicz) Fucinari's five children.

After graduating from high school, Susan went on to attend Eastern Michigan University where she earned her bachelor's degree in education and master's in special education. Susan started her teaching career at Deerfield Public Schools before moving on to Springbrook Middle School in Adrian. Susan loved working with the students and made an impression on all who knew her. She retired from teaching after 30 years of commitment and dedication.

On June 26, 1981, Susan married Robert Stranges in East Detroit, and for the next 43 years they shared many hopes and dreams as their story evolved.

They were blessed when their son, Antonio, came along and made their family complete. There was always a reason for celebrating, at least twice a month, with their large extended family. Over the years, there were memorable cruises taken with "30 of their closest relatives" and trips out to California to visit Antonio.

Susan was naturally gifted in design and whatever project she was working on was presented beautifully; this included the Victorian style theme of the family home or even when she was preparing food for dinner. Susan always gave it her all and made everything feel like a celebration. She enjoyed making

beaded and metal jewelry and spending time outside gardening.

In addition to her loving husband, Robert, Susan will be missed by her son, Antonio; siblings, Carl (Cathy) Fucinari, Claudia More, David (Yvonne) Fucinari and James (Sheri) Fucinari; many wonderful friends that she treasured; and her beloved cat, Luigi. Susan was preceded in death by her parents

Visitation will take place on Wednesday, October 23, 2024, Noon to 1:00 PM at Wagley Funeral Home, Adrian. Funeral services will begin at 1:00 PM with Pastor Dan Crist officiating.

Memorial contributions may be made to Arbor Hospice (arborhospice.org), the Lenawee Humane Society (lenhumanesoc.org) or the Leukemia Foundation. Online condolences and memories may be shared at www.WagleyFuneralHomes.com.

“ When I think of Susan, the word “splendor” comes to mind. From her incredible beauty, to her clothes, to her hair, to her makeup, to her jewelry...Susan was splendid...a queen in all her awe-inspiring splendor! And as with a queen, her home was her castle. Everything in her home was lovingly placed in its special spot. I loved the drop-down secretary desk...the chair was pulled out and turned ready for someone to sit down...the paper, quilled pen, book, and spectacles were right where someone left them...waiting to be used again.

Susan was kind, compassionate, and respectful to everyone she meant! She was splendid....and had a way of making everyone want to straighten their crowns and go into the world knowing they could make an impact. And in the end, all were deeply touched by her courage, determination, bravery, and desire to protect those she loved! She fought the fight, ran the race that was before her, and did it with grace and splendor! There's something so wonderful about knowing she has a new mansion and is walking streets of gold! Susan, do some redecorating up there...until we meet again, know you were so loved and admired! Dee

“ I was a neighbor of Susan and Rob on Bent Oak for over 20 years. No one could ask for better neighbors! Always enjoyed a cold beverage in their beautiful gardens. Susan always had the most pleasant smile and a great sense of humor. And if you ever were invited to one of their Halloween parties, you were sure to be surprised and amazed by the way they decorated their garage! I will miss you Susan. Rest my friend pain free at last.

“ Susan was always a genuine person even when she genuinely didn't want to be. She's always been one of my favorite people and she's always been supportive of anything that I've ever warranted myself to do. And for that I'll always be grateful and always love that woman from the bottom of my heart..

“ **Cosmic Dancer**

Sue was one of the most creative people I've ever known. She inspired many, including myself. We met in high school art class and had so much in common that we became friends immediately and kept in touch over the years.

I have fond memories of going to your house after school listening to T-Rex and David Bowie while making Mrs. Fucinari's recipe of nalesniki, a Polish crepe that was so yummy!

I will never forget your beautiful smile and laugh, Susie, and also your affection toward all who came into your world.

Rest in peace little one. I will see you on the other side someday.

Love to Tony, Rob and your family.
