“ *Please accept my condolences. I remember Sue from when we were both co-workers at the Dominican Life Center as well as from being Associates of the Adrian Dominican Sisters. I remember her great love of animals and think it is wonderful that she spent time on the Board of the Lenawee County Humane Society. In her career and volunteer activities she touched many lives, both two and four legged.*

I met Sue through my sister Theresa! They live in the same apartment complex & the same building..same floor... across from her!! I haven't seen Sue in a few years, I have some great memories!! One of the things we did was camping! Every summer (10 years) we planned our adventure!! We always had fun!! Another funny memorie is our Ethel & Lucy bit! She called me Ethel & I called her Lucy! Not sure how it started but I have the memorie that makes me laugh! Sue was fun to hang with! The kids liked her too! I was very surprised when I heard the news!! I pray for the repose of her soul! I hope she meets me at the pearly gates...I will tell "Lucy I'm home" & she will respond,"Ethel, geee's where are you"!! Love &miss you Sue!! Char/Ehel

I met Susan about 3 years ago in my driveway, as she became a big supporter of Backpacks for Children. I would often see Susan in the stores buying school supplies to help the children. One day I was going through a box and getting the calculators out. I hear someone say just take the box. I replied I don't want the box. Then I hear are you buying those for Bonnie's Backpacks for Children, I replied I am Bonnie then I turned around and it was Susan. We chuckled because we had a mask on and she didn't realize it was me. We became friends from the beginning and will remain, friends. She was a very caring lady with a big heart. I am surely going to miss her. Rest easy Susan, your work here has been noticed, and time to spread those wings and fly high.
