“ *Tary and Ryan,*
I am so saddened to hear of Tensley's passing. How I wish I was near so I could have met her and supported my family during this difficult time. Though her time on Earth was far too short, Tensley experienced a love and taught us about love that will long carry on. I am keeping you in my thoughts and sending heartfelt condolences to you.
With love from,
Aunt Becky

“ Ryan and Tary,

While I have never met either of you, I have been following Tensley since shortly after her birth when my daughter, who works with Ryan, told me about her. After my daughter sent a text that Tensley had become an angel, I wept for you both. I so understand, as 38 years ago, my husband and I experienced the same medical situation. This was a year before this same daughter was conceived. I can only pray that you will be blessed again soon. Don't be too hard on yourselves. Allow this difficult situation to strengthen the bond you have together and bring a greater good in Tensley's memory.

Bless your little angel, both of you and your family.

“ Dear sweet baby Tensley,
You were papaw & Mimi Dunigan's first grandchild, extra special, you touched our hearts in a way we will never forget and would never want to.

Tensley your time here with us was short but you touched so many people, some you didn't even know.

Rest now sweet baby in the arms of Jesus for you will never be alone again. Keep that piece of our hearts you took with you until we meet again.

Love you baby girl,
Papaw & Mimi ❤️

“ She loved Aunt Tammy's kisses...especially on her neck!!! She would always make this sassy little face right after...and it was Aunt Tammy's favorite. Loved to see those hands, arms and mouth move. Love you Tensely.
