“ Helen, Karen, Dawn, and Keith,

Ted was the biggest teddy bear I have ever known. I always knew if I was in trouble and my parents weren't available, I could call Ted and he would help. I am so glad that Dad and I got to join your family for that last fishing trip in Curtis. I will cherish the memories of that week forever.

While I know it might be hard to believe right now, there will come a day when your memories of Ted will bring a smile instead of tears. My thoughts will be with you all as you journey toward that day.

Love,
Cindy###imported-begin###Cindy Tomlin###imported-end##
