“ *We are so sorry to hear about Tommy's passing. The Kishpaugh sisters were all together yesterday and wondering about him. Deepest condolences to Marty and Vicky and his son Eric. We had lots of memories of all the cousins playing together as kids.*

“ *Hello Vickie and Marty. Just yesterday we four sisters had lunch at Big Boy in Brooklyn and we talked about Tom, wondering how he was doing, as we never hear anything. Today Our cousin Deb told us he had passed. He was on our hearts is all I can say. He was a kind and gentle soul, a special guy. Sorry we had lost contact, and our sympathies to you for your loss. He is at rest, and whole now, praise God. May God give you peace. Larry and Gail Zenz*
