“ *So So sorry to hear that Tom has passed. He was such an interesting and nice man. We stopped out to his place about 3 years ago and he was showing us around. He always seemed to have the most amazing and unique living quarters. I saw a toilet paper stand that was quite ornate in his barn. Tom saw that I liked it and insisted that I take it. It has been in our bathroom ever since. I have even told Lillie that her Grandpa Tom gave that to me. May he rest in peace and may God comfort you all during these trying times. God Bless !*

“ *On the way to the visitation last night my husband told me a cute little story, they grew up together and when they were younger he would go over to Toms and Tom would proceed to try to do wheelies with his dads tractor, Tom's dad would yell get the hell off of that. Just thought that was cute and so reminds me of Tom. Cathy Brighton & Ron Brighton*
