“ *There is not enough space for the words to describe Tim, knowing him almost all of my life, his smile was it, that Tim smile made you smile too, knowing that Tim found god is the most important thing for him and peace for us! Now That the lord has him he can now rejoice seeing his father and mother and my father too! I will miss him, but knowing him made anyone who knew him lives better, that in itself says what kind of man he was, God bless his family and maybe there are no words to ease your pain, but know that the lord has him now!!!!*
