“ Karen and Family you all are in my Thoughts and Prayers`

I worked with Tim at Bank of Lenawee and it was an honor to have his friendship.

He was truly a wonderful man!

My only regret is that I did not keep in touch with him after I left the bank, and also after hearing that Tim was diagnosed with cancer. I will always regret that.....

My deepest sympathy to you all and may God watch over each and every one of you and give you the strength you all will need today and all of your tomorrows.

God Bless You all and Tim we all will be reunited one day as God calls us all home.....

“ Karen, I just read Tim's obituary in last nights paper. I am so sorry for your loss. It is never easy to loose your life partner. I lost my husband Ed to a heart attack 2 1/2 years ago and I understand what a loss Tim is to you and your family. My prayers are with you. I often have thought about the both of you through the years. It was kind of funny that I worked in banking with both of you at different banks. He was a wonderful man and friend. Deepest condolences. Gail Perry

The world is a sadder place because Tim is no longer in it. Tim was the kind of professional who worked hard to make things work. He contributed, though knowledge, helpfulness and understanding. He was a very nice man who brightened your day with a kind word and a winning smile. Knowing Tim helped me feel more positive about the banking profession in general. He will be missed by many.
