“ My condolences to all of Tinias children whom were like my own , Her Husband Bunky as well as her family in Virginia. We were lifetime friends over 27 years. We were sisters by heart. We had our tiffs with each other but can only remember 2 arguments. That we overcame. We had a helluva LOT of laughs and goofy times as well. My children called Tinia .. T~Ta for as long as I can remember. A part of me has gone with you Tinia. So when I need you I'll talk to you as if your still here. All o ca think of is no more pain, no more confusion, no more silently hurting inside babygirl. I'll see you again that I promise. I love you my Sister. Rest In Peace , Rest in Heaven , Dance to the music and laugh and be joyful. I'll see you soon. I love you so much. Xoxo

“ The most memorable moment for me that I had with my mother. It would have to be the time we went fishing as a family, and I looked down and seen a garden snake coming up from the water heading between her feet. I stopped and said, "Mom do not move." She didn't move but was freaking out. She asked me, "Why?" So many times. I broke down and laughed. Told her, "Do not move mom. Do not startle it. It is a snake." I haven't seen mom run so fast my whole life. She told me to get rid of it. For which I grabbed it by its head and body so I wouldn't get bit and safely moved it down the channel for release. Another memory I had was the first time she seen and held Annabeth. She was so happy and filled with love and I know she loves all her grand-babies young and old. But by far I was proud that day to see her hold Annabeth.
