“ To Fran and Ron Beck:

You are in my thoughts and prayers in your time of unexpected sorrow. With the very Deepest of Sympathy to you both. May the lord continue to guide and hold you in his hand during this time of sadness. Know that the lord has seen your hurt and despair, but know that at this time there is only one set of footprints and that he is carrying you through all of this.

May all of the words that my father, Edwar Goetz, spoke to you at one time come back and be a consolation to you both.##imported-begin##Rachel Goetz Bakowski##imported-end##

“ Family and Friends, I give you my deepest sympathy. Tyler had such a big heart, and I'm sad to see that he was taken from us so soon. Feel better to know that God knows what he is doing, and I am confident that Tyler is looking down on us right now, hoping we'll wipe our tears. He wouldn't want us to be sad, although--i agree it's almost impossible. He was a beautiful person, who we all love, and will terribly miss.##imported-begin##Haley Neri##imported-end##
