“ *If I could have caught a rainbow
I would have done it just for you;
And shared with you it's beauty
On the days you were feeling blus.
If I could have built a mountain
You could have called your own
A place to find serenity
A place to be alone.
If I could have taken your troubles
I would have tossed them into the sea. But all those things I found
were impossible for me.
We were given our memories so that we may have Roses in
December. You will always be a large part of me Mom! I love you
so!###imported-begin###Pat###imported-end###*

“ *My Grandparents' home was always full of love, warmth and great
smells, thanks to my Gram and her wonderful pies and cookies. She
never spoke a harsh word to anyone and always made sure no one
left her house hungry or thirsty. I will miss her tight hugs, warm pats
on the cheek, and beautiful smile. My life is truly enriched by having
known her. I love you Gram!###imported-begin###Doreen

“ *I shall miss my wonderful Aunt more than I can tell you; she was a great inspiration to me, a wonderful listener, and I always felt better after visiting with her; she brought out the best in people, and I have nothing but wonderful, happy memories of her. I should mention also how blessed she was to have her son, David, with her; thanks to him, Vey could be at home till her time came to go with God.##imported-begin##Phyllis Hoppert##imported-end##*
