“ To Melinda, Mark and Families, I was saddened to see the death of your Mother, Vicki.

I used to work at Smiths Bakery in Sandusky and knew your Mother and grandmother Mildred very well. We all attended Grace Episcopal Church together.

Your Mother was such a kind person and was always so good to Millie.

Your Grandmothers eyes always lit up when she spoke of you and her great grandchildren. May you find comfort in your special memories of your Mother.

Keeping you in my thoughts and prayers. Fondly, Debbie Gerold

“ My sympathies to Mark and Melinda her pride and joys, to the grandchildren that she was so proud of and relatives. I worked with Vicki at Providence Hospital and when she retired we did symphonies, eating out, and just good get togethers. She will be missed.
Praying for you during this time of sorrow.
