“ *I know Grandma didn't want to leave us, but God needed her. I wish I would've learned more cooking from her, all those loved ones we've lost are now eating fabulously in Heaven. The Tigers have a new angel on their side too. 'Grams' will always be in my heart and memories. I love you Grams!##imported-begin##Cindy Gloe##imported-end##*

“ Dear Deb, Susan, Steve, and Bruce,

We are so sorry for your loss. Your mother holds a special place in my heart. When I was young and my mom was not able to care for me your Mom was there. I have fond memories of taking the ferry to Milwaukee, birthday parties at your home and the worlds best German chocolate cake. Vivian was FUNNY and could always bring a smile to my face. The world was a better place because of her caring and love. We will all miss her and never forget her.
