“ *Dear Linda,
I am so sorry to hear about your dad. My mother lived until she was 90 and everyone remarked how she had lived a long life, but it still hurts and you still grive. I am sorry I will be unable to visit as I am in FI with my son. Just know you are in my thoughts and prayers. When I get back in March we must quit talking about getting together for lunch or dinner and just DO IT. Again you and your family are in my prayers.
