“ To the family of Wendell Miller, I don't know if you'll remember me, I am Fay Stevens-Braman's son. I would just like to send my heartfelt condolences. As I remember Wendell, I just remember how nice he always was to me as a child and regret not staying in touch with the family. I am saddened to hear of his passing. Take comfort in knowing he is not "lost" as some will say, he has only moved on and you will see him again as he welcomes you when it is your time. Love to all, Tom###imported-begin##Tom Braman###imported-end##

“ To the entire Miller family,

*Our families were so close for a few years and then all of us just grew up. I remember going to your house just about every Sunday after church and just enjoying lunch and laughing all the time at the stories your dad would tell. It was just like we were part of your family. Thanks for making us feel that way. Cindy and I have kept in touch occasionally with Pam (Don) and Sue (Randy) and to this day, I feel that I can contact any one of you and you will make me feel the very same way again. That's how special that time was to me.*
