“ Dear Family,

Please accept my condolences. I did not know West personally, but I was saddened by his death and inclined to honor him through this note. I know of him through Krieghoff-Lenawee and through his support of the Boys & Girls Club of Lenawee.

Please know I admire him greatly. His smile was contagious and lit up the room. It is obvious to me that he had an ageless spirit and a kind heart. His zest for life and learning is truly inspiring. He will be missed.

I hope my sentiments can provide some level of comfort. My thoughts and prayers are with you.

*God bless,

*We are sorry to hear about the loss of such a great man. Your dad lived across the street from us for a few years, then our mother, when we moved away and she moved in. He was always so kind and helpful to us and Arlene (our mother). He was a wonderful person and many will miss him. Our thoughts and prayers are with your family.
