“ It is with great sadness that I received the news that Mr. Lorenc has left us. My condolences to the Lorenc family at this most difficult time.

When I was a teenager, Mr. Lorenc hired me for one of my very first jobs-mowing the beautiful grounds of the Garity Estate in Adrian. Mr. Lorenc took great pride in the care of this wonderful property and he worked very hard at his craft. He instilled that same sense of pride for the property in those who worked for him. And when the days work was done, we would all gather in the mower garage and talk for a while. Mr. Lorenc always had a joke or funny story to share, I remember his wonderfully sly sense of humor. We usually left work with a smile on our face.

Thank you Mr. Lorenc for the opportunity and for the fun. You have gone on ahead now, but you will always be remembered.

Much love to the entire Lorenc family from the Valley of the Sun.

“ Heartfelt prayers and sincere sympathy from the Gyori family. There are so many fond memories of Uncle Willy! He really made us all truly appreciate our Hungarian heritage! He took so much joy sharing old photos and music and just giving with his heart! The gorgeous hibiscus plants, rose bushes and awesome Oxheart tomatoes just to name a few things he loved to share. He will be enjoying the heavenly gardens now! May Jesus wrap his arms around you at this sad time until you meet again. Loving prayers and hugs from us all.

“ We were so very sorry to hear about "Corbey". Our thoughts and prayers go out to his family during this difficult time! My dad, Elmer Takats, grew up with your husband/father in Rossford, Ohio and were friends until the end. Oh, the many stories my Dad has told us about him and Corbey are so funny, endless and priceless!. Not sure how they survived, the trouble they were in and I have never heard the same story twice and to this day my Dad can still tell new stories! The stories and memories are endless that my Dad has of Corbey! My Dad will be so very sad when he hears this news. My Dad turned 88 in March and has some health issues which, unfortunately, will prevent us from attending the funeral. Again, thoughts and prayers to Corbey's family during this difficult time.

*Our Sympathies To Corbey's Wife and Children,
Shelley Takats Lawniczak, Elmer's daughter*

“ Growing up playing on Hilcrest with the Lorenc kids was so fun. They lived just beyond the cul-de sac on the then-known Gerety property. Mr. Lorenc was the groundskeeper. We loved going on the property to see when he had planted and to ice skate on the pond. I will never forget how amazing his tomatoes tasted and seeing his beautiful gardens. My thoughts and prayers are with you all at this time. Love, Barbara Miller Sanchez
