“ I'm so sorry about Aunt Winnie's passing. She was such a great mother and grandmother. I'll never forget my visit to her home over 20 years ago. When she took us down to her basement where it was filled with toys (very organized and covered to keep clean). As a child, you dream about playing with the assortment of toys she amassed. Her grandchildren were blessed.
Our prayers go out to all, Tom and Diana.##imported-begin##Diana Kelly##imported-end##

“ I am so sorry for your loss. Your mom was the first person in the neighborhood to greet us when we moved in. She was always friendly when we were outside and never failed to proudly tell us about the grandkids. We had the opportunity to see her at Provincial House, even though she didn't know us. She inspired me to be a better grandparent by the example she set. I was in awe of her energy and desire to have her grandchildren around her at all times. We miss seeing her.##imported-begin##Vicky Brooker##imported-end##
