“ I had the privilege as a teenager of getting to call Loni my extra mom. She was a great influence on my life. She shared with me what a true mother-daughter relationship should be. Her actions of love showed me what kind of mother I aspired to be when I grew up. I am truly thankful to her and Ervin for the love and kindness they bestowed upon me many years ago. I will be eternally grateful for your kindness, friendship, and those crazy haircuts. Loni Fether, you were truly an amazing lady, and I will always remember you with love and admiration.
